FY 2016 Annual Planning/Implementation- Description of Work Teams/meeting notes

Partner Engagement Team

The Partner Engagement Team will be responsible for planning, coordination, and completion of action steps for the following strategy activities from the Annual Plan for FY 2016.

- Partner Engagement-
 - a. Coalition will engage new collaborative members, as well as missing members of the current board of directors, but have not been attending.
 - b. A study will be made of the quarterly collaborative and committee meetings for ways to add value and relevance. Results will be used to improve the meetings.

June 18, 2015-

Created a partial list of collaborative organizations that, based on their level of consistent involvement, should be considered for place on BOD. They are: WGTC Adult Literacy, WIA, CHINS, CASA, Voc. Rehab. They have been attending as collaborative members very regularly and involved/engaged in the work. Rationale: Additional inclusiveness will be a plus for the organization.

Additional recommendation on collaborative organization inclusion. Make Annette Johnson not only representing Trey Kelley, but also Haralson Co. Schools.

Recommendations for continuing development of "call sheet" to be used to survey "missing members". See prospective changes on version 2 of this document.

Recommend making a separate survey to help us understand how we might make the quarterly meetings most relevant and useful to members.

See updated work plan for additional recommendations.
